

Paul Todd

### **The Ministry...**

Renowned Christian Artist Paul Todd has been ministering through his gift of music for many years. Paul uses his talents to entertain families with his ministry oriented and family friendly music. Every fundraising concert tour Paul has performed raises money for churches, ministries and various charitable organizations. Paul Todd Charities, Inc. was formed in 2005 to help raise funds for small unfunded local and national charities including street missions, food banks, homeless shelters and wounded veterans organizations.

### **The Talent...**

Although Paul was called a child prodigy at the keyboards, he found it was only after years of study, practice, and working in different areas of the music business that he fully understood and developed his own talent. As a child, he realized that he could hear entire symphonies and scores of music "in his head", but he had to spend years training his hands and feet to automatically perform what he heard. He was always drawn to keyboards and organs versus a piano because the instrumental voices on keyboards let him, in reality, become his own orchestra.

Paul is most famous for his unique concerts. Although he is first and foremost a Christian artist, his concerts also include original, classical, popular, and Broadway selections. Paul accompanies himself by playing six keyboards simultaneously. His fingers and feet move at lightening-fast speed, which the audience can see on a large mirror set up behind the keyboards. Known also for his smooth and powerful vocals, he combines talent with a sparkling wit to help make his concerts an unforgettable family night out. Columnist Jack Moss said it best, "I've seen Todd do his thing in concert and I think he's impossible to top as an entertainer." Paul continues to perform over fifty concerts a year, most of them as fundraisers for charities.

### **The Composer...**

Paul has composed theme songs for many prominent organizations including:

*"Men in Mission"*, for the Men in Mission organization; *"Make a Wish"*, which he wrote for the Make a Wish Foundation, later recorded by Crystal Gayle; and *"Christmas is for Children"*, for the Toys for Tots program. During the Christmas season, you can see Paul's music video, *"Christmas is for Children"* on television networks nationwide. Paul has composed the entire score for two musicals; most recently, *"A Christmas Carol"*, which played in New York for many holiday seasons. Past productions have starred Wilfred Brimley (The Firm), and John Astin (Gomez in TV's The Addams Family). In 1999, Paul composed the song *"The First Lady In My Life"*, which is fast becoming one of the most popular Mother/Son wedding dance songs in the nation.

### **A Few New Musical Accomplishments...**

Paul's *"Spirit of Christmas"* DVD was a recipient of a Telly Award in 2004.

Paul orchestrated and performed the music for the *Halo Baby* series for children with Sky Angel Productions. *"Paul Todd in Concert,"* a half-hour TV show, can be seen nationwide every Thursday night on television through Sky Angel IPTV and on the Dish Network.
